

## CERTIFICATE OF ANALYSIS

**PRODUCT NAME : METHANOL (SPECIALLY DRIED) AR**

**CAS No : 67-56-1**  
**Mol. Formula : CH<sub>3</sub>OH**  
**Mol. WT : 32.04**  
**Date of analysis : 16/10/23**

**Product code : 24265**  
**Batch No : MCM-5836**  
**Mfd. : Oct. 2023**  
**Exp. : Sept. 2028**

| S. R | Test                              | Specification                                                                            | Observation                                                                          |
|------|-----------------------------------|------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| 1    | Description                       | A clear colourless liquid with a characteristic odour. APHA not more than 10 Hazen unit. | A clear colourless liquid with a characteristic odour. APHA less than 10 Hazen unit. |
| 2    | Assay (GC)                        | 99.0% min                                                                                | 99.96%                                                                               |
| 3    | Wt. per ml (at 20 <sup>0</sup> c) | 0.790-0.792g                                                                             | 0.792g                                                                               |
| 4    | Water(by KF)                      | 0.04% max                                                                                | 0.036%                                                                               |
