

## CERTIFICATE OF ANALYSIS

**PRODUCT NAME : CASEIN SOLUBLE IN ALKALI**

**CAS No : 9000-71-9**

**Date of Analysis : 06/08/24**

**Mfd. : Aug. 2024**

**Product code : 13510**

**Batch No : MCR-31634**

**Exp. : July 2029**

| S.R | Test                         | Specification                                                         | Observation                                   |
|-----|------------------------------|-----------------------------------------------------------------------|-----------------------------------------------|
| 1   | Description                  | Faint yellow , light brown or cream powder with characteristic odour. | Light brown powder with characteristic odour. |
| 2   | Nitrogen (On dried material) | 13.5 – 15.5%                                                          | 14.61%                                        |
| 3   | Sulphated ash                | 3 - 6                                                                 | 3.70%                                         |
| 4   | Moisture                     | 5% max                                                                | 4.53%                                         |
| 5   | Fat                          | 1.5% max                                                              | <1.5%                                         |

**REMARK:** THE PRODUCT COMPLIES WITH THE ABOVE SPECIFICATIONS
