To,

Our Valued Customers,

Subject: Circular for Changes in Product Labelling

This is to inform you about an important update regarding product labelling, as per the notification. Effective **1st April 2025**, all products will display the label "**Not for Retail Sale**" in place of the previously printed **Maximum Retail Price (MRP)** on bottles and packaging.

Currently, our products feature the MRP on the packaging, but in compliance with this regulation, we must replace the MRP with the "**Not for Retail Sale**" label.

Please ensure these changes are fully implemented by **1st April 2025** to comply with the guidelines.
